Dear Parents/Guardians:

This year we had to purchase Rosetta Stone in a bulk amount. We are fortunate enough to have the opportunity to offer a few one-year subscriptions to Rosetta Stone (our foreign language program). It would be a great opportunity for a sibling or parent to learn a new language or brush up on an old one. If anyone might be interested in purchasing these, please let the office know. The cost is \$ 110.00 per person and the online subscription is good for one year, until Sept. 15, 2012. You can choose from several different languages to learn.

We have a limited number available to our families so if you are interested, do not wait too long or they will be gone. If you are interested, please fill out the form below and return it to school as soon as possible.

Thank you!
